Type II: Skiers not classified as Type I or III.								
Type III: Fast skiing on slopes of moderate to steep pitch.								

A signed version of this “Participation Agreement” is required for all Participants. Participants skiing or snowboarding on ISTC’s indoor revolving slope and static slope (the “Slopes”) must have a signed “Release of Liability and Indemnification Agreement” form on file. If the Participant is under 18 years of age, a Parent or Legal Guardian must sign it for them. Participants 18 years of age or older must present a valid photo ID upon submitting these forms to verify their information.

Everyone must check in at the front counter before entering the Slopes area. Lessons are by appointment only; Walk-in requests are subject to availability of Instructors and staff.

All Participants and Spectators must comply with the instructions, judgment, and decisions of ISTC staff on duty in the Center.

Participants may not enter the Deck area until the beginning of their lesson, and only when directed by their Instructor. Spectators (non-skiers/snowboarders) are never permitted on the Slopes or slope platforms, and must remain in the designated viewing area.

Late Arrival

Participants are strongly recommended to arrive at the Center at least 15 minutes prior to the scheduled start time of their lesson, to allow for enough time at check-in and to put on equipment. If a Participant is late for a lesson, their lesson will end on time so that the next lesson may begin as scheduled. Should this happen, Participant’s lesson will be charged in full.

Cancellations

ISTC requires a 24-hour cancellation notice for single lessons (either stand-alone or one lesson within a package). No refund will be given for cancellations made within 24-hours of the appointment. Event bookings require a 48-hour cancellation notice. Event cancellations received at least 24 hours but less than 48 hours prior to the scheduled start time are eligible for a 50% refund of the full amount. Camp bookings require a 7-day cancellation notice. Camp cancellations received at least 48 hours but less than 7 days prior to the scheduled start time are entitled to a 50% refund of the amount paid. Cancellations of lesson(s), events or camps outside of the above stated notices will result in a charge to the credit card for the full amount of the lesson(s), event, or camp.

Clothing and Equipment

Only appropriate clothing will be permitted for skiers and riders. Comfortable workout attire is recommended. Long pants and long sleeve shirts are strongly recommended. Please wear a pair of long

socks; breathable, athletic styles are best. The use of cellular phone, headphones or other electronic devices is prohibited while skiing or snowboarding on the slopes. Participants are aware that personal belongings in unsecured pockets may fall out, and they assume any risk of damage or loss.

Street shoes, coats, etc. must be stored away from the slopes and platforms. ISTC is not responsible for lost or stolen items.

Participants may bring their own ski boots or snowboard boots, or they may use the boots provided by ISTC. Only ski and snowboarding equipment approved by ISTC staff may be used on the slopes.

Participants must use skis and snowboards provided by ISTC. Only ISTC Instructors are allowed to adjust bindings – no exceptions. Participants may not bring their own skis or snowboards inside ISTC's center, unless expressly permitted as part of an equipment or tuning clinic.

Helmet use is required while on the slopes. Participants may use their own helmet or one provided by ISTC.

Photography

ISTC has the right to photograph and/or video activities within the Center and may use Participants' and Spectators' name, face, likeness, voice and appearance, in connection with social media, publicity advertising and promotional materials without reservations or limitation.

Children

Children under the age of 14 must be supervised by an adult while at ISTC, unless they are taking part in a day camp offered by ISTC. Children younger than 6 may be restricted from skiing or snowboarding at ISTC, depending on their readiness to participate and their physical size and strength. If in doubt of your child's ability to participate, please discuss with a Manager of ISTC prior to booking.

Food and Beverage

No outside snacks, food, chewing gum or beverages (except bottled water) are allowed on the slopes or the slope platforms.

Returns/Gifts Cards

All product returns must be unworn and accompanied by a receipt. Product returns will only be accepted within 15 days of original purchase. All returns will be refunded with a gift card from ISTC. Gift cards are not refundable or redeemable for cash.

Conduct

Only ISTC staff is permitted to teach skiing or snowboarding on the slopes, unless a certificate or insurance is provided naming ISTC as additional insured.

No skiing or snowboarding is allowed while under the influence of intoxicating substances. The use of profane language or inappropriate conduct will result in loss of the remainder of the lesson without a refund.

Any infractions of the above rules will result in loss of that lesson.
